LUXURY CONTEMPORARY VILLAS IN HARMONY WITH NATURE

Luxury villa in in an exceptional environment with its own organic vegetable garden

Built on one floor and designed to enjoy a chilled out Mediterranean lifestyle close to the beach.

The private garden has its own salt water pool and an organic vegetable garden to enjoy the freshness of nature. The villas have an underground garage and a large basement that can be customized to the taste and lifestyle of the homeowner.

A wonderful location, this villa enjoys proximity to some of the best golf courses in Nueva Andalucía. Puerto Banús with its luxury shops and variety of restaurants is only a 5 minute drive away and some of the best international schools such as Aloha, Laude and San José are also within easy reach.

The house enjoys advanced technologies such as Aerothermal energy, LED lighting, and domotics as well as the best brands such as Technal, Neff or Bosch.

A truly magnificent villa!
